## I. EXECUTIVE SUMMARY

---

### Detroit's Business Challenge

Entrepreneurs looking to start or expand their businesses in Detroit face two major hurdles: 1) It is not easy to find the right space; and 2) Even when the right space is found, business and building owners may still have financial gaps that need to be addressed before they are ready to open.

### Our Goal

The goal of Motor City Match is to help start new, permanent businesses in Detroit's commercial corridors by providing assistance throughout the business start-up and building renovation process.

Motor City Match tackles the city's startup challenges by matching the best businesses from Detroit and around the world with Detroit's best available real estate while also providing competitive grants, loans and counseling to help both building and business owners get open.

### Two Ways to Apply

To achieve this goal, Motor City Match offers two competitive application tracks:

1. **The Building Owner Track** is for Detroit property owners with a vacant space who are looking for quality tenants.
2. **The Business Owner Track** is for businesses from Detroit and around the world that are looking to start or expand in Detroit.

### Two Types of Awards

Applicants will compete for financial and technical assistance. This includes \$500,000 in matching grants per quarter available to both building owners and business owners starting in the third quarter (July 1) of 2015.

In 2015, the assistance offered through Motor City Match to business and building owners includes:

- \$1 million in matching grants (\$500,000 per quarter for Q3 and Q4)
- \$1 million in small business and construction loans
- \$1 million in technical assistance

### When to Apply

Building owners will have two opportunities to compete for technical and assistance:

- Round 1: Applications open April 1 and close May 1
- Round 2: Applications open August 1 and close September 1.

Apply at: [www.motorcitymatch.com](http://www.motorcitymatch.com)

## 2. HOW THE BUILDING OWNER TRACK WORKS

---

### About the Building Owner Track

The Motor City Match Building Owner Track is designed for Detroit property owners with a vacant space looking for quality new tenants. Building owners can compete for pre-development assistance, as well as world class marketing and tenant recruiting.

Properties matched with businesses are considered for grants, financing and priority permitting. Winning properties must be located within Detroit, be structurally sound and in good standing.

### Award Levels

Competitive awards are available for building owners at various stages of the renovation and build out process. Motor City Match breaks these stages into the following categories:

		<b>Awards</b>	<b>Awardees must:</b>
<b>TECHNICAL ASSISTANCE AWARDS</b>	<b>GET READY</b>	<ul style="list-style-type: none"> <li>Listed as an available property viewable by Business Track candidates.</li> </ul>	<ul style="list-style-type: none"> <li>Be current and compliant</li> </ul>
	<b>MAKE A MATCH</b>	<ul style="list-style-type: none"> <li>Up to 25 winners each round</li> <li>Pre-development site assessment</li> <li>Marketed as a “top destination for new business”</li> <li>Match making with top businesses</li> </ul>	<ul style="list-style-type: none"> <li>Be current and compliant</li> <li>Judged most feasible for business</li> </ul>
	<b>MAKE A PLAN</b>	<ul style="list-style-type: none"> <li>Up to 7 winners each round</li> <li>Design/build assistance</li> <li>Priority permitting</li> <li>Financial planning assistance</li> </ul>	<ul style="list-style-type: none"> <li>Be current and compliant</li> <li>Judged most feasible for business</li> <li>Have a tenant secured</li> </ul>

<b>FINANCIAL ASSISTANCE</b>	<b>MATCH YOUR CASH</b>	<ul style="list-style-type: none"> <li>Up to 10 winners each round</li> <li>Up to \$100,000 matching grant per winner</li> <li>Grants match your cash dollar-for-dollar.</li> <li>\$500,000 in total grants per round for business and building owners</li> <li>Opportunities to apply to lending partners for financing</li> </ul>	<ul style="list-style-type: none"> <li>Be current and compliant</li> <li>Judged most feasible for business</li> <li>Have a tenant secured</li> <li>Have a development plan ready</li> <li>Have funds ready for investment</li> </ul>
-----------------------------	------------------------	---	--

Winners may progress through the program by competing for higher award levels in subsequent quarters if they have complied with all terms and conditions of previous awards solely at the discretion of Motor City Match staff.

## 3. AWARD DETAILS

---

### TWO TYPES OF COMPETITIVE AWARDS

For the Motor City Match **Building Owner Track**, applicants compete for two types of awards: technical assistance awards and financial assistance awards. Funding sources for different award types have specific policies that guide the selection of Motor City Match awardees.

#### 1. Technical Assistance Awards

Building owner technical assistance will be awarded on a competitive basis to eligible property owners for site assessment, marketing, and rehabilitation planning. Technical assistance awards include the following award packages:

- Get Ready
- Make a Match
- Make a Plan

Technical assistance awards are federally funded by the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (“CDBG”) Program.

*Please note that while each of the services offered through technical assistance awards has a value, there is no money exchanged between Motor City Match and the awardees.*

#### 2. Financial Assistance Awards

##### Loans

Motor City Match applicants will have the opportunity to apply for financing to a group of six lending partners. To simplify the process, applicants will fill out one application that will be reviewed by six lending partners all at the same time. This allows you to save time while getting the best rates and terms possible. Motor City Match lending partners include:

- Invest Detroit
- Detroit Development Fund
- Detroit Micro-Enterprise Fund
- Michigan Women’s Foundation
- Detroit LISC
- Capital Impact

All MCM grant awardees and finalists will be considered for financing from MCM lending partners.

##### Matching Grants

Competitive matching grant awards are funded by private philanthropy. Foundations and corporate sponsors are providing flexible funding to help fill the gap in business start-up or build-out expenses. Motor City Match will issue monetary grants to qualified awardees based on their eligible criteria and program requirements. Matching grants can be used for:

- Exterior and interior building renovations

# Motor City Match Building Owner Guidelines

---

- Code compliance
- Permanent equipment

**All grants are 1:1 “matching grants.”** These grants are designed to match business owner or building owner equity investment, essentially doubling the amount of equity available to invest in the project. In other words, if a Motor City Match awardee has \$10,000 in equity available to invest in the project, they will be considered for a \$10,000 grant. Think of the grant as a way to get a 50 percent discount on eligible building improvements you plan to make to your property.

**Matching grants are available for building owners that can’t get any or all of the financing they need to get their space renovated to accommodate businesses.** Grants are not a substitute for readily available financing.

**Grant funds are issued on a reimbursement basis** and will be accessed on a “draw-down” basis. Grant funds will either be held in escrow or by a Motor City Match lending partner in the event that financing is provided to support the project.

## TWO OBJECTIVES

Because Motor City Match is funded in part by the U.S. Department of Housing and Urban Development (HUD) Community Development Block Grant (“CDBG”) Program, building owners must meet one of two program objectives to be eligible for the Motor City Match Program.

**1. Provide a benefit to low and moderate income (“LMI”) persons on an area basis.**

The “area benefit” category is the most commonly-used national objective for activities that benefit a primarily residential neighborhood. An area benefit activity is one that benefits all residents in a particular service area, where at least 51 percent of the residents are LMI persons.

**2. Remove slum or blight**

To meet this national objective category, the economic development activity must take place in a designated area that:

- Meets the definition of a slum, blighted, deteriorated or deteriorating area under state or local law; and
- Meets either one of the two conditions specified below:
  - Public improvements throughout the area are in a general state of deterioration; or
  - At least 25 percent of the properties throughout the area exhibit one or more of the following:
    - Physical deterioration of buildings/improvements;
    - Abandonment of properties;
    - Chronic high occupancy turnover rates or chronic high vacancy rates in commercial or industrial buildings;
    - Significant declines in property values or abnormally low property values relative to other areas in the community; or
    - Known or suspected environmental contamination

# Motor City Match Building Owner Guidelines

A building's compliance with program objectives will be determined as follows:

	Award Level	Program Objective Determination
<b>Technical Assistance Program</b>	<b>Get Ready</b>	<p>Before a property is matched with a business, the national objective is determined based on the building.</p> <ol style="list-style-type: none"> <li>1. Neighborhood Revitalization Strategy Area (NRSA)</li> </ol> </li> <li>2. If the building does not automatically qualify, then the project must meet one of the following criteria:               <ol style="list-style-type: none"> <li>a. Commercial buildings must demonstrate that 51 percent of residents within a 2 mile radius are low-to-moderate income. This assumes that a future commercial user will benefit at least a 2 mile trade area.</li> <li>b. Office and industrial buildings must either:                   <ol style="list-style-type: none"> <li>i. Demonstrate that 51 percent of residents within a 1 mile radius are low-to-moderate income. This assumes that activation of the property itself will benefit the LMI community by reducing vacancy and bolstering economic activity.</li> <li>ii. Remove slum and blight on a "spot basis" where the building shows specific conditions that are detrimental to public health and safety as documented in city inspection records.</li> </ol> </li> </ol> </li> </ol>

	<b>Make a Plan</b>	<p>After a match is made the national objective is confirmed based on the "project" (business at a specific building location.)</p> <ol style="list-style-type: none"> <li>1. The business user must demonstrate their trade area provides at least 51 percent LMI area benefit. Business owners must fill out a form to document this. This test will most commonly be applied to businesses that provide a good or service such as retail, restaurants, medical offices, etc.</li> <li>b. Document removal of specific building conditions that are detrimental to public health and safety. Technical assistance and funding for building rehabilitation will be limited to remedying these conditions.</li> </ol> </li> </ol>

## MULTIPLE WAYS TO WIN

Participants in Motor City Match Building Owner Track can compete in successive rounds of the program to win multiple awards as they progress through the building renovation process:

- Motor City Match awards are provided on a competitive basis due to limited resources. Businesses are selected based on five criteria by Program staff and a selection committee.
- Building owners can compete to receive every award that Motor City Match has to offer.
- Awardees can apply to compete for higher award levels after receipt and successful completion of lower level awards.

## **Motor City Match Building Owner Guidelines**

---

- Receipt and completion of an award does not guarantee selection for a higher award level.
- Completion of technical assistance awards does not guarantee selection for grant awards, nor is it a pre-requisite for applying for grant awards.
- Any project awarded grant funding must adhere to CDBG regulations by meeting the required CDBG national objective

## 4. ELIGIBILITY CRITERIA

---

The following section provides minimum requirements that building owners must meet to be considered for Motor City Match. Those that do not meet the eligibility criteria cannot be considered.

### Who can apply?

- Property owners that own vacant real estate located in a commercial corridor that serves a primarily residential area in the city of Detroit may apply to Motor City Match.
- All types of non-residential properties (including, but not limited to): commercial, industrial, office, warehouse and co-working spaces will be considered.
- For-profit corporations, companies and not-for-profit organizations that own real estate may apply. For-profit property ownership entities may be Sole Proprietorships, General Partnerships, Limited Partnerships (LP), Limited Liability Partnerships (LLP), Corporations (Inc., Corp.), Limited Liability Companies (LLC), and. Property ownership entities must be formed or incorporated prior to submission of the application.
- Faith-based organizations that own real estate are eligible to apply, subject to 24 CFR §570.200(j)
- Corporations and organizations that own multiple properties may apply for multiple properties but must submit *one application per property*.
- Owners of multi-unit buildings, with one or more vacant spaces, may apply for each available space within the multi-unit building. In this case, building owners must submit one application for each available unit.

### Properties must meet the minimum conditions to be considered:

- Location of vacant property must meet a CDBG national objective by demonstrating a benefit to the low-to-moderate income community or by removing slum and blight.
- Property owners must be in good standing with the City of Detroit, Wayne County, State of Michigan and the Internal Revenue Service (“IRS”).
- Majority interest or shareholder in the property ownership entity must be 18 years of age or older.
- Properties must be structurally sound, with a roof in place.
- Properties must be secured and safe for entry.
- No outstanding blight or dumping tickets
- Current on water bills with Detroit Water and Sewer Department
- Property must be vacant on or before January 1, 2015, unless an exception is granted.

### Building owners being considered for awards must agree to provide the following:

- Proof of ownership such as warranty or covenant deed.
- Access to the space and confirmation the space is vacant and safe.
- Permission to allow contracted professionals to assess building conditions, construction needs, costs and other activities related to redevelopment and business feasibility.

## Motor City Match Building Owner Guidelines

---

- Willingness to coordinate with financing professionals to assist in the underwriting and financing of the project. Personal financial statements, tax returns, and other financial documents may be requested for consideration of technical assistance awards and are required for consideration for grants and loans.
- Willingness to comply with all program terms and conditions, participate in public relations and program meetings.

**The following individuals are not eligible to apply** – building owners who are: (1) employees, elected officials or appointed officials or officers of the City of Detroit government (the City), (2) employees or board members of the Detroit Economic Growth Corporation (DEGC); (3) employees or board members of the Economic Development Corporation of the City of Detroit (EDC); (4) contractors affiliated with the Motor City Match program; (5) Motor City Match Jurors; (6) spouses and dependents of (a) employees and board members of the City, DEGC, and EDC; (b) contractors affiliated with the Motor City Match program; and (c) Motor City Match Jurors.

---

- Property owners will submit required financial information and documentation for grant and loan underwriting.
- Applications are judged by a selection committee of experts, EDC staff and lenders.
- Please allow up to 90 days for selection and award.

### 7. "MATCH YOUR CASH" FINANCIAL ASSISTANCE AWARD DETAILS

---

When a match is made between a property and a business, the project may be considered for Motor City Match grant funding and project financing from one or more of the Motor City Match lending partners.

All matches will be considered, however not all matches will receive grant funding or financing. Grant making is contingent on review and selection by Motor City Match staff and selection committee. Lending is contingent on the underwriting guidelines of each lending partner.

Each quarter starting in quarter 3 of 2015, \$500,000 in matching grants will be made available to building and business owners.

Additionally, at least \$1 million in small business and construction loans are anticipated in 2015.

#### Loan Financing

**Motor City Match applicants will have the opportunity to apply for financing to a group of six lending partners.** To simplify the process, applicants will fill out one application that will be reviewed by six lending partners all at the same time. This allows applicants to save time while getting the best rates and terms possible. Motor City Match lending partners include:

- Invest Detroit
- Detroit Development Fund
- Detroit Micro-Enterprise Fund
- Michigan Women's Foundation
- LISC
- Capital Impact

All Motor City Match grant awardees and finalists will be considered for financing from MCM lending partners. In the event that MCM lenders can't provide all the financing needed, those business that did not receive financing will be considered for grants to fill the gap.

#### Matching Grant Funding Levels

Motor City Match will offer \$500,000 in matching grants each quarter starting in the third quarter of 2015. Both businesses and building owners will compete to access this pool of dollar-for-dollar grant funding up to \$100,000.

**Matching grants are available for building owners that can't get any or all of the financing they need to get their space renovated to accommodate businesses.** Grants are not a substitute for readily available financing.

#### Requirements

**A minimum of 10 percent project equity is required as a baseline for consideration for matching grant awards and loan financing.**

These matching grants are designed to match business owner or building owner equity investment, essentially doubling the amount of equity available to invest in the project. In other words, if a Motor City Match awardee has \$10,000 in available equity to invest in the project, they will be considered for a

# Motor City Match Building Owner Guidelines

---

\$10,000 “matching” grant. Think of the grant as a way to get a 50 percent discount on eligible building improvements you plan to make to your property.

“Cash” or “Equity” is defined as cash on hand that is ready to invest in the building. A bank statement will be the primary means for determining the amount of building owner equity eligible for a matching grant.

Cash or equity sources are:

- Personal savings
- A gift from a family member or other private entity
- An unsecured loan from a family member or other private entity
- Cash raised from crowdfunding
- Funds borrowed against a 401k BUT NOT a 401k withdrawal
- Other definitions of equity based on the sole discretion of the Motor City Match selection committee

Cash or equity sources ARE NOT:

- A secured loan
- A cash advance from a credit card
- Personal savings from an unlawful activity

**Matching grants are issued on a reimbursement basis and will be accessed on a “draw-down” basis.** Grant funds will either be held in escrow or by a Motor City Match lending partner in the event that financing is provided to support the project.

Grant making will use scores from the selection process as one of the decision making criteria for grants. Additional decision making criteria are as follows:

## Grant and Loan Underwriting Fundamentals

1. The project costs must be considered reasonable as determined by the Motor City Match staff and the selection committee.
2. All sources of the project financing must be committed. Prior to Motor City Match’s commitment to awarding a matching grant, building owners will work with Motor City Match financial partners and technical assistance team to:
  - a. Verify that sufficient sources of funds have been identified to finance the project;
  - b. All participating parties providing those funds have affirmed their intention to make the funds available; and
  - c. The participating parties have the financial capacity to provide the funds.
3. Motor City Match grant funds cannot be substituted for private, independent capital. In other words, Motor City Match grants will only be made to fill a financial “gap” on the project. If the project is completely and independently funded through private sources, there is no need for Motor City Match’s investment. In determining the “gap” on a project the Motor City Match selection committee will consider:
  - a. Whether or not the business or property owner has applied for private financing.
  - b. Whether or not the degree of equity participation is reasonable given general industry standards for rates of return and risk profile for similar projects and given the financial capacity of the business or property owner to make additional financial investments.
4. The project must be financially feasible.
5. To the extent practical, the return on the owner’s equity investment cannot be unreasonably high.
6. There must be a minimum 10 percent equity investment towards project costs.

# Motor City Match Building Owner Guidelines

---

## Timeline for Completion

All grant funded projects must be completed within one year of the grant award.

## Required Documentation

Property owners being considered for financial awards must agree to provide the following when considered for an award:

1. Executed letter of intent or lease acceptable to Motor City Match
2. Development plan including construction, renovation or upgrade cost estimates and bids from contractors
3. Business financial information:
  - Certificate of assumed business name
  - Interim balance sheet and income statement
  - Three years of calendar/fiscal year-end balance sheets and income statements
  - Current accounts receivable aging
  - Current accounts payable aging
  - Three months of bank statements for main operating account
  - Business organizing documents
    - Articles of incorporation (LLC, Corp)
    - Operating agreement (LLC only)
    - Partnership agreement (Partnership only)
    - Bylaws (Corp only)
4. Personal financial information:
  - Signed and dated personal financial statement
  - Three years of personal federal tax returns
  - Last three years of W-2's for each individual
  - Last two months of bank/brokerage statement for each individual
  - Copy of divorce decree or bankruptcy discharge (if any)

## Eligible Expenses and Policies

Each project will receive a project financial evaluation and notice of intention to provide matching grant funding.

Projects that receive matching grant awards will be required to execute a grant agreement that outline the terms and conditions for grant funding.

Matching grant funds will be awarded to the business owner, building owner or both on a project-by-project basis at the sole discretion of Motor City Match.

As a condition to the grant award, each project will be required to complete a "project financial plan" in collaboration with Motor City Match's technical assistance providers. The project financial plan will identify:

- All projects costs and the corresponding sources and uses of funding on a line item basis, including costs that will be paid for in-part or whole by Motor City Match grant funds.
- Who is responsible (either the property owner or the business) for costs.
- Ownership of eligible costs. In other words, if Motor City Match grant funds are used to purchase equipment, the project financial plan will determine if the equipment belongs to the property owner or the business in compliance with applicable laws.

# 8. ADDITIONAL INFORMATION

---

### Expectation of Winners

Award winners will be expected to attend events where they will be connected to other award winners and resources. They will also be asked to share their story through a variety of media opportunities. These types of opportunities will be determined after winners are announced.

All grant awards are taxable income.

### Use of Applicant Data

Applicant information will be shared with the Detroit Economic Growth Corporation (DEGC) for the purposes of providing direct follow-up to all applications. DEGC has a business attraction program that connects businesses to applicable business support services. If DEGC cannot directly help a business, they will recommend and connect the business to one of their non-profit partner organizations that can. Many of these non-profit partners are featured on the BizGrid, a list that is designed to help businesses find support: [www.detroitbizgrid.com](http://www.detroitbizgrid.com).

### Confidentiality

Applicant proprietary and confidential data will not be shared beyond the purposes of review during the award selection process and providing business support. Applicants should clearly mark such information confidential and proprietary. Applicant data will not be sold.

### Disclaimer

The information contained herein is subject to the actual grant-ward documents and the written terms and conditions of the Motor City Match program and the Economic Development Corporation of the City of Detroit (EDC) which govern the program, as the same may be amended from time to time. EDC also reserves the right to make the final determination of any person's or organization's eligibility and/or qualifications for program benefits, and to make allocation of program benefits as it may, in sole discretion deem appropriate.
