Time: 3 to 6 hours (2 to 3 hours in person and time for writer to complete the business plan)

Business Planning Course and One on One Financial Planning/Or Business Expansion Plan: THE NEXT LEVEL (Financing and Capital Readiness)

QT Business Solutions has been hosting business planning courses for over 10 years. Our business planning courses are designed to take start-up and existing businesses to the next level. Our course is specifically designed for businesses that have already started but need assistance with growth. The course is useful for start-ups that have experience in the business they are starting. We generally prefer businesses that have generated at least \$10,000 in revenue that have never formulated a business plan. Includes: Business Plan, Basic Marketing Plan, Organizational Chart, Sales Forecast, Projected Balance Sheet, Cashflow and P&L statements .We also assist in your application to the lenders. [This flat fee also includes application assistance to all rounds of Motor City Match except the supplemental application during the cash round of MCM.](#)
